Dear Mrs. Coulston,

Thank you very much for your kind note of the encouragement. WHITEWASH is enclosed. Total cost, including postage, is $5.05. We are sending it to you this was to save time and to save you the considerable COD charges.

Most people assume what is generally true, that a private printing is not available through their bookstores. Bookstores make the same assumption. This case is the exception. All the major wholesalers stock WHITEWASH and any bookstores in your area can readily obtain it. For example, the largest in NYC, Bookazine, has gotten 1,500 copies in the past week.

Sincerely yours,

Harold Weisberg
